Carnegie Mellon Robotics Academy

Certificate of Achievement

Coding and Computational Thinking with VEX IQ Student Certification

is awarded to

Axel Tirta Putra

The VEX IQ Student Certification is aligned to knowledge, skills, and attitudes within Coding and Computational Thinking with VEX IQ and focuses on concepts around computational thinking and coding in a robotics context. Recipients have demonstrated an understanding of the robotics engineering process through repeated planning, testing, and iteration of course projects, along with the ability to write and understand block programs.

Earned on Jun 12, 2025
